

Algebra Budget Project Reflection

After completing the project and receiving a "Life Happens" card how well do you think you did managing your money? Use the following questions to reflect upon your spending.

Staple your "Life Happens" card to this page.

1. Explain in detail how well you managed your money?
2. If you could change something about your choices what would it be?
3. Given the unexpected occurrence, do you have enough to cover the new situation? If yes, what did you do to make that possible? If not, how would you adjust your budget?
4. How has your perspective on managing a budget changed over the course of this project?
5. What can you take from this to apply in real life?
