

Plan a Vacation!

Your Job:

You and your partner are travel agents who work for Sunny Day Travel Agency. Your boss has given you the job of planning a perfect vacation for a family of four.

Your Budget:

You have a budget of \$5,000 to cover the cost of travel, including renting a car, staying at a hotel, and meals. The money will also go towards the cost of resort admission, hotels, and meals while at the destination. You can also use leftover funds for extra activities that will make the vacation extra special and fun.

Your Tasks:

- Select options from the Vacation Choices board (travel, destination, and extra activity fees)
- Complete a Vacation Costs chart
- Complete a sample daily schedule
- Plan a presentation for your clients (PowerPoint, Brochure, or Poster)

Your Materials:

- You will receive:
 - a Vacation Choices board to select options for the trip
 - a vacation cost chart to total travel costs (round trip), destination costs, and any extra activities/expenses
 - a blank sample daily schedule to show your clients what their vacation will be like
 - a rubric
